ITECH ANALYSER S	Page 22
PANORAMA	Page 23 - 29
SCANNER BATTERIES	Page 29
WARRANTY TERMS & CONDITIONS	Page 30

Axess reserves the right to amend prices at any time without prior notice, due to currency fluctuations and the continuous increases in raw materials.

Price reductions available on quantity orders - please enquire.

AXESS INTERNATIONAL - COMPANY PROFILE

Axess International Limited have been manufacturing and distributing two-way radio products for over 20 years. We understand your need to have high quality products which is why we use Sanyo or Panasonic cells, manufacture all our products to a DMAIC quality check system and apply the principles of 6-sigma used by Motorola. Our confidence in our product capability follows our dedicated customer care to ensure you receive the best product for your individual requirements.

Our in-depth knowledge and technical ability enables us to advise on battery management and safety aspects, from the end user right through to the military, marine, emergency services, government and medical fields.

WHO ELSE OFFERS YOU FREE ADVERTISING OF YOUR COMPANY NAME?

Many of our current customers are asking for their company details to be placed onto the goods they order from Axess. With our current labelling software we are able to take your company logo and details and design a quality label specific to your requirements. If you are interested in "own branding" please contact our sales team to discuss it further.

(Note: a minimum order quantity will apply depending upon the product you require. Extra time for despatch, normally 24 - 48 hours dependent upon the quantity ordered, must be expected when placing your order).

CARRIAGE CHARGES

Order Value (Excluding VAT)	Carriage Charge	Carrier	Expectation
Up to £50.00	£7.50	Next Day Courier	Parcel will arrive the following working day up to 5.30pm. If this is not acceptable a 'timed' service should be requested. For some areas of Scotland and Cornwall, delivery is guaranteed within 2 working days - please ask for further details.
£50.00 - £250.00	£9.50	Next Day Courier	As above
£250.00 - £750.00	£11.50	Next Day Courier	As above
£750.00 plus	Free of Charge	Next Day Courier	As above
	£17.50	Next Day Courier before 10.30am	Parcel will arrive the following working day before 10.30am. This service is unavailable to Cornwall and the Scottish Highlands.
	£17.50	Saturday Courier	Parcel will arrive before 1pm. This service is unavailable to Cornwall and the Scottish Highlands.
ROYAL MAIL RECORDED DELIVERY - We can send smaller orders (up to 2kg) by post which will be charged at cost. ETA 1-3 days. OVERSEAS CARRIAGE (incl Northern Ireland) & ORDERS FOR SINGLE CELLS AND LEAD ACID BATTERIES WILL BE CHARGED AT COST, BASED ON PARCEL WEIGHT <i>Back order items will be charged carriage according to the value of the items being sent.</i>

AUDIO ACCESSORIES - Listen Only Earpieces

Please see pages 17 - 19 for plug type availability. Technical details for all our audio products are available on request.

101 Series

With 45cm Lead

Earbud with option of 45cm lead for chest level or 90cm lead for waist level. Replacement sponges available for hygiene.

103 Series

With 90cm Lead

061 Series

With 45cm Lead

063 Series

With 90cm Lead

FITS LEFT OR RIGHT EAR

071 Series

With 45cm Lead

073 Series

With 90cm Lead

FITS LEFT OR RIGHT EAR

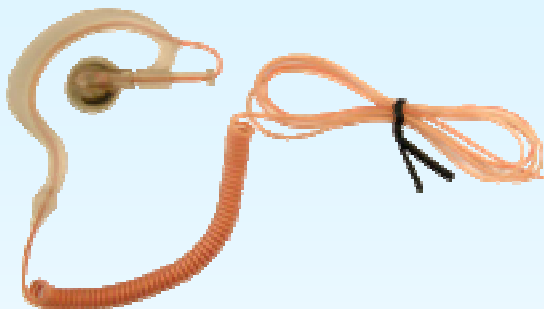

Flexi D shape earpiece made of soft rubber for maximum comfort. Option of 45cm lead for chest level or 90cm lead for waist level.

Flexi earhanger made of soft rubber for maximum comfort. Option of 45cm lead for chest level or 90cm lead for waist level. Replacement sponges available for hygiene.

C200 Series

CT200 Series

Flexi earhanger made of soft rubber for maximum comfort with coil cord and 60cm lead.

FITS LEFT OR RIGHT EAR

2000E Series

FITS LEFT OR RIGHT EAR

Clear acoustic tube with soft rubber tip for maximum comfort and 90cm lead. Replacement tubes and tips available for hygiene.

AUDIO ACCESSORIES - Mic & PTT

Please see pages 17 - 19 for plug type availability. Technical details for all our audio products are available on request.

130 Series

Earbud with inline Mic/PTT and 115cm lead. Replacement sponges available for hygiene.

FITS LEFT OR RIGHT EAR

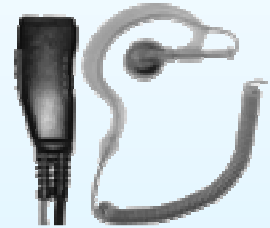

230 Series

Flexi earhanger made of soft rubber for maximum comfort with coil cord, inline Mic/PTT and 102cm lead. Replacement sponges available for hygiene.

FITS LEFT OR RIGHT

CT230 Series

340 Series

FITS LEFT OR RIGHT EAR

Flexi D shape earpiece made of soft rubber for maximum comfort with inline Mic/PTT and 150cm lead.

2300 Series

FITS LEFT OR RIGHT EAR

Two wire flexi D shape earpiece made of soft rubber for maximum comfort with robust inline two wire connector and Mic/PTT and 280cm lead

AUDIO ACCESSORIES - Acoustic Tubes

Please see pages 17 - 19 for plug type availability. Technical details for all our audio products are available on request.

186 Series

Clear acoustic tube with soft rubber tip for maximum comfort, coil cord and inline Mic/PTT with 120cm lead. Replacement tips and tubes available for hygiene.

2000 Series

2 wire clear acoustic tube with soft rubber tip for maximum comfort, robust inline Mic/PTT with 280cm lead. Replacement tips and tubes available for hygiene.

3500 Series

FITS LEFT OR RIGHT EAR

3 wire clear acoustic tube with soft rubber tip for maximum comfort with lapel mic, torpedo PTT and 360cm lead. Replacement tips and tubes available for hygiene.

AUDIO ACCESSORIES - Vibration Pick-up Mics

Please see pages 17 - 19 for plug type availability. Technical details for all our audio products are available on request.

V600 Series

FITS LEFT OR RIGHT EAR

Bone mic earpiece made of rubber for maximum comfort with inline PTT and 140cm lead.

V600S Series

FITS LEFT OR RIGHT EAR

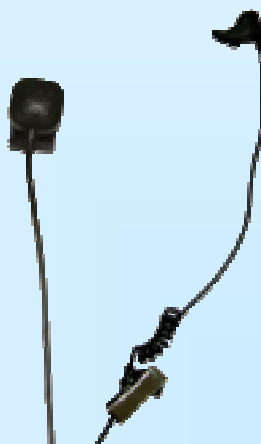

Bone mic earpiece made of rubber for maximum comfort with inline PTT and 140cm lead.

V610 Series

FITS LEFT OR RIGHT EAR

Bone mic earpiece made of rubber for maximum comfort with inline finger strap PTT and 220cm lead.

V610S Series

FITS LEFT OR RIGHT EAR

Bone mic earpiece made of rubber for maximum comfort with inline finger strap PTT and 220cm lead.

AUDIO ACCESSORIES - 3 Wire System

Please see pages 17 & 18 for plug type availability. Technical details for all our audio products are available on request.

3100 Series

FITS LEFT OR RIGHT EAR

Earbud with lapel mic, torpedo PTT and 360cm lead. Replacement sponges available for hygiene.

3200 Series

FITS LEFT OR RIGHT EAR

Flexi earhanger made of soft rubber for maximum comfort with lapel mic, torpedo PTT and 360cm lead. Replacement sponges available for hygiene.

3300 Series

FITS LEFT OR RIGHT EAR

Flexi D shape earpiece made of soft rubber for maximum comfort with lapel mic, torpedo PTT and 360cm lead.

AUDIO ACCESSORIES - Boom Mics

Please see pages 17 - 19 for plug type availability. Technical details for all our audio products are available on request.

350 Series

FITS LEFT OR RIGHT EAR

D shape earpiece with slim boom mic, inline PTT and 115cm lead.

650 Series

FITS LEFT OR RIGHT EAR

Robust earhanger with boom mic, small inline PTT and 92cm lead. Replacement sponges available for hygiene.

660 Series

FITS LEFT OR RIGHT EAR

Robust earhanger with boom mic, inline palm PTT and 100cm lead. Replacement sponges available for hygiene.

210 Series

FITS LEFT OR RIGHT EAR

Overhead headset with boom mic, inline PTT and 125cm lead.

400 Series

FITS LEFT EAR ONLY

Back of head lightweight headset with boom mic, inline PTT and 125cm lead.

460 Series

FITS LEFT EAR ONLY

Heavy duty back of head headset with adjustable strap. Boom mic, inline palm PTT and 90cm lead

AUDIO ACCESSORIES - Throat Mics

Please see pages 17 - 19 for plug type availability. Technical details for all our audio products are available on request.

TA110 Series

FITS LEFT OR RIGHT EAR

Earbud with throat mic, inline PTT and 122cm lead. Replacement sponges available for hygiene.

TA210 Series

FITS LEFT OR RIGHT EAR

Flexi earhanger made of soft rubber for maximum comfort with throat mic, inline PTT and 122cm lead. Replacement sponges available for hygiene.

TA310 Series

FITS LEFT OR RIGHT EAR

D shape earpiece made of soft rubber for maximum comfort with throat mic, inline PTT and 122cm lead.

TA510 Series

FITS LEFT OR RIGHT EAR

Clear acoustic tube with soft rubber tip for maximum comfort with throat mic, inline PTT and 122cm lead. Replacement tips and tubes available for hygiene.

AUDIO ACCESSORIES - Speaker Mics

Please see pages 17 - 19 for plug type availability.

PSM150 Series

Small speaker mic with PTT, 45cm lead and metal clip.

PSM450 Series

Large speaker mic with PTT, 50cm lead and metal clip.

PSM550 Series

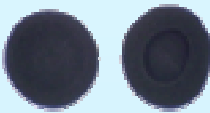

Heavy duty speaker mic with PTT and volume adjust 55cm lead and metal clip.

PSM1000 Series

Medium speaker mic with PTT, 70cm lead and metal clip.

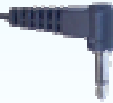

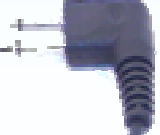

AUDIO ACCESSORIES - Adapters and Spares

AUDIO ACCESSORIES - TETRA Plug Types

Our audio ranges are available with the following plug types. Just find the plug type for your radio then find the audio accessory you require. Please note that not all plug types are available for each audio accessory. If you can't find what you're looking for please contact sales and we will advise on the best alternatives.

<u>PLUG TYPE</u>	<u>FITS</u>	<u>AUDIO SERIES</u>
MG3 	MOTOROLA MTP700	Available for all series except C200 / CT200 & PSM550
MTH1 	MOTOROLA MTH650/800 NEXTEL Falcon Series i205, i265, i305, i530, i710, i730, i736, i830, i860, i930	Available for all series Except PSM & TA
MTH2 	MOTOROLA MTH500	Available for all series Except PSM & TA
MTH3 	MOTOROLA MTH650, 800	Available for all series Except PSM & TA
N2 	NOKIA THR850, 880	Available for all series except listen only V600, V600S, V610, V610S, 350 and PSM550
SP 	SEPURA SRP2000, 3000	Available for all series Except PSM & TA, 660 & 460 series
SPS 	SEPURA SRP2000, 3000	Available for all series Except PSM & TA, V600, V600S, V610 & V610S
SP1 	SEPURA SRP2000, 3000	Available for PSM & TA series only

MOBILE RADIO POWER SUPPLIES

AD SERIES BASE STATION DESKTOP POWER SUPPLY FROM ALFATRONIX

The desktop versions within the AD series, commonly referred to as the 'wedge', offer a convenient way to convert 12Vdc mobile radio transceivers for use as desktop base stations. They will operate from alternating current supplies of between 85 to 135Vac and 170 to 265Vac without manual adjustment. The continuous power rating is 108 Watts.

These cool running products use switch mode technology and are assembled using surface mount technology.

The wedge meets the European Low Voltage Directive and the ENC Directive.
It also meets the requirements of UL1950 and FCC Class B.

Please specify model of radio when ordering

ITECH ANALYSERS

All items on this page are Special Order. See Terms & Conditions of Warranty for details.

SINGLE WAY ANALYSER

<u>IQ-1N</u> - Ni-Cd / NiMH Analyser Unit	<u>IQ-1L</u> - Li-Ion Analyser Unit
Modes: CHARGE - Charges your battery QUICK ANALYSE - Discharges then charges your battery and gives a reading of the capacity that was delivered to your battery to determine if it requires conditioning. SPEC ANALYSE - Charges then discharges then charges your battery to compare your battery capacity to the manufacturers specification. CONDITION - Charges then discharges your battery 3 times. This is for batteries that have been in storage for a while or to restore available capacity.	Modes: CHARGE - Charges your battery. QUICK ANALYSE - Discharges then charges your battery and gives a reading of the capacity that was delivered to your battery to determine if it requires a spec analyse. SPEC ANALYSE - Charges then discharges then charges your battery.

SIX WAY ANALYSER

<u>IQ-5</u> - Ni-Cd / NiMH / Li-Ion Analyser Unit
Modes: CHARGE - Charges your battery once the battery has been left in the holder for 2 mins without setting a program. DISCHARGE - Discharges then charges your battery. ANALYSE - Charges then discharges then charges your battery and gives a reading of the capacity that was delivered to your battery to determine if it requires conditioning CONDITION - Charges then discharges your battery 3 times. This is for batteries that have been in storage for a while or to restore available capacity. Custom serial port for Star SP200 Series or compatible printer to print off your analyse / condition results.

A FEW OF THE SCANNER BATTERIES AVAILABLE

TERMS & CONDITIONS OF WARRANTY

Warranty Statement

The following excludes clearance stock (Items from a specific clearance list) which is sold with an out of box warranty only.

All warranty items will be repaired or replaced by Axess after testing, where applicable.

The costs for returning items to Axess will be covered by the customer unless a prior agreement has been made by both parties. Axess will pay all other shipping charges and costs for returning the replaced or repaired product to the customer, provided it is not deemed customer abuse.

Axess International accepts no responsibility for any items returned by a non-traceable method. Customers are advised to package the goods correctly as Axess International cannot accept responsibility for goods damaged in transit due to poor or inadequate packaging.

Please make sure date code labels on products are not removed, if these labels are removed the warranty will be void.

Please contact us on 01327 301090 prior to sending goods back, in order to obtain a returns reference number. This will allow us to process your return efficiently and effectively.

Good Stock Returned For Credit

Good or unwanted stock may only be returned for credit if the item is unused, in its original packaging and within 14 days from the original date of purchase from Axess International. All items returned will be subject to a 20% re-stocking fee.

Special Order / Sold To Order Only Items - (As marked * in this catalogue)

Special order items carry the same warranty as laid out above, dependent upon the product, with the exception of "Good Stock". Please note that once placed special orders cannot be cancelled or returned as unwanted stock. These items may only be returned if found to be faulty.

Battery Warranties

(This excludes cellular batteries, see below)

Rechargeable NiMH, Ni-Cd & Li-Ion Batteries

Battery will maintain no less than 80% rated capacity for a 12 month period from date of purchase from Axess International.

Rechargeable PMR Ni-Cd Batteries

Battery will maintain no less than 80% rated capacity for a 12 month period from date of purchase from Axess International.

Rechargeable Lead Acid Batteries

Battery will maintain no less than 80% rated capacity for a 6 month period from date of purchase from Axess International.

Cellular Batteries & Accessories

All cellular accessories will function under normal working conditions for a 6 month period from date of purchase from Axess International.

Bury / THB hands free car kits will function under normal working conditions for a 12 month period from the date of purchase from Axess International.

PMR Accessory Warranty

Audio Accessories, Including Speaker Mics

Audio accessories will function under normal working conditions for a 6 month period from date of purchase.

Other PMR Accessories

All other PMR accessories will function under normal working conditions for a 12 month period from date of purchase. (For IC chargers and iTECH analysers please see Electronic Warranties).

Electronic Warranties

IC Series Charger & Charger / Discharger

Charger shall be free from defects in material and functionality for a 12 month period from the date of purchase from Axess. The warranty period covers parts & labour where required.

After the warranty period a quote for repair, including parts & labour will be raised and faxed to the customer. Upon acceptance of the quote the repair will go ahead. Once complete the item will be returned to the customer and a charge of £9.50 (excl. VAT) will be made for the cost of carriage.

If the quote is not accepted, the item will be returned to the customer and a charge of £9.50 (excl. VAT) will be made to cover the carriage cost, unless the item is no longer required, in which case Axess International can dispose of the goods.

iTECH Battery Charging & Maintenance Systems

The following iTECH products are guaranteed from defects as stated below

IQ ^{PLUS} & Charger ^{PLUS}	12 Months From Shipment Date
All Other Models	36 Months From Shipment Date
Battery Adaptors	12 Months From Shipment Date
